## Buy a Spot!

At last year's auction, Buy-in Parties were introduced. Several of you purchased a special spot for your child to attend a sleepover, rocket shoot, hike and other fun activities. We have re-designed the program a bit and plan to offer some more special spots at this year's auction. You will be able to purchase a special item or spot for a specific price. Spots will be limited on a first come, first served basis.

Do you have a special skill or talent that you would be willing to share with a group? We are looking for people who will teach a class or special skill such as quilting or wood-working or who will plan a special activity. The class could be for adults or children and you would help determine the cost of the class.

If you have an idea or would like to explore the possibilities, please contact the auction coordinators as soon as possible.

## Double Dipping Donations!

Did you know? You can purchase scrip and earn Friends of the School hours for your purchase. Then, you can donate the scrip to the auction or use it to purchase an item for the auction and get auction credit for your donation. It's a win-win situation for you and the school!

Contact the auction coordinators or your student's teacher for ideas about scrip. It is a high interest item at the auction!

## Catalog Advertisements

We are now selling advertisements for our auction catalog. Do you know a business owner that would like to support the school while publicizing their business? Full page, half page and quarter page, full color ads are available for purchase. Information and order forms are available outside the school office and online. You will earn one F.O.S. hour for each new advertiser that you bring to the school! All ads must be submitted by March 8<sup>th</sup>. Please contact Tana Bryant for more information (503-390-6050).

## Class Projects!

Please show your support to our teachers by helping with your child's class project. The preschool and elementary classes are working on a special project for the oral auction and many are also working on unique items for the silent auction. Our middle school and high school classes are joining forces to put together an awesome family entertainment package. Each family is asked to assist with some type of donation for their student(s) class projects. This donation counts toward your required \$100 auction donation. Here's a sneak peek at some of the projects:

*2<sup>nd</sup> Grade* – Comfort Care Package (includes a tied fleece blanket personalized with the student's handprints, comfort foods and other fun items)

*3<sup>rd</sup> Grade* – Coffee Package (includes tray custom designed by the students and lots of great coffee items)

*4<sup>th</sup> Grade* – Family Popcorn Package (includes popcorn bowl decorated by the 4<sup>th</sup> graders and items for family and individual entertainment)
